Worship & Creative Arts Ministry
Audition Packet**

A few things to know about the Worship and Creative Arts Ministry . . .

The Worship and Creative Arts Ministry at Evangel Church exists to bring glory to God. We worship with music, drama, dance and other forms of art. We believe that our talents are given to us by God to be used for our enjoyment and to bring honor to Him.

We strive to be a place in which anyone who has a desire to serve can find a place to serve. However, the music ministry may not be the right fit for some people. In that case, we will work with you and our other ministry leaders as well as pray for you that God will help us find the right place for you to serve.

American Idols need not apply . . .

We are looking for individuals who are team players and can do whatever is asked according to their abilities. There are many places to serve in the Worship and Creative Arts Ministry including:

- Worship Team singers
- Worship Team band
- Wednesday night Prayer service singers/instrumentalists
- Children's music
- Audio/Video
- Choir
- Seasonal events
- Drama
- Set design
- Graphic design
- Special music

Worship Team

Not everyone is gifted with the musical ability to lead or play in the main service. The Sunday morning worship is strategic in leading our congregation in worship and also reaching out to the community. A higher level of musical ability is required for this team. Because of our practice schedule and the music we learn, the Worship Team must commit to weekly rehearsals on Monday evenings and Sunday sound checks at 8:00 am.

WORSHIP TEAM AUDITION PROCESS

How do you become part of a Worship Team?

Everyone must audition & interview with Pastor Chris Boyer to become part of a Worship Team.

In the auditioning process, the following areas will be evaluated:

1. Musical Ability

You will be asked to perform two songs of varying style (3 minute limit) that you feel most confident about and demonstrate your most polished performance.

2. Sight Reading Ability

You will be given an unannounced piece of music to sight-read. (Note: Not a requirement for worship team members, but if you do sight read, we want to know about it!)

3. Experience

You will be asked to give a brief description of your past musical experience (choir, band, ensemble, solo work, etc.)

4. Presentation

You will be expected to audition just as if it were a live performance - your ability to create and maintain a positive and energetic stage presence is important.

5. Commitment

You will be asked about your current involvement in Evangel Church (Believer's Edge participation, worship attendance, other ministries, etc.). You will also be given the opportunity to ask any questions you have about Evangel Church or the Worship and Creative Arts Ministry.
