

EC kids Elementary

Our elementary services are for kids in grades Kindergarten through 6th grade. We offer a

Sunday morning service planned specifically for kids in a safe environment with fun, games, worship, a Bible-based message and time to respond in prayer. We want kids to feel connected with other kids as well.

Wednesday evenings we have an outreach-based service for kids and their friends to learn about Jesus in a fun environment. We serve dinner each week too.

EC Kid's Service Schedule:

Sundays 10am

Nursery/Toddlers, Preschool, & Elementary

Wednesdays 6 - 7:30pm

Elementary - dinner included

Evangel Church Kid's Ministries

WELCOME!

We are so happy your family is here. We want to provide a place for your kids that is safe and fun. We want to help them have a relationship with God and be connected with other kids.

EC kids Preschool

Roar Preschool Ministries is for children between the ages of 3 and 5. We offer a Sunday morning service planned specifically for preschoolers in a safe environment with fun, toys, singing, Bible lessons, crafts and snacks.

How do I know my child is ready for the preschool room?

If they are potty-trained and can sit for a short lesson and crafts, they are ready for the preschool room. We leave it up to the parent's discretion when your child is ready.

EC kids Nursery/ Toddlers

We offer a safe place for your children under age 2 to play and be ministered to so that parents can worship without worry for their little ones.

LETTER FROM OUR CHILDREN'S PASTOR

Thank you for visiting our church! We think children are one of our greatest gifts and we are intentional about reaching them at the youngest age. Their safety is very important to us. We have a security team at the church and a secured check-in system. We want to reach children on their level to help them know and worship God the way a child worships. Our goal is for every child to know the God of the Bible and realize He is more than just a story or character.
